REMARKS

39 Claims 1-2, 4-5, 14 and 17 remain canceled without
40 prejudice or disclaimer. Claims 6, 15, 16, and 18 have been
41 previously amended in independent form to include all of the
42 limitations of the base claim and any intervening claims, have
43 now been kindly indicated by the examiner to be allowable.
44 Claims 3, 7-9 and 19-21 remain in the application and are
45 allowable, because they have been amended to depend from claim
46 6 now believed allowable. Claims 10-13 remain unchanged and
47 depend from claims now believed allowable. It is believed
48 that all minor rejection under 35 U.S.C. 112 noted by the
49 examiner have been corrected. Accordingly included is a
50 listing of all claims and those amended are presented in only
51 marked up version in compliance with the latest REVISED
52 AMENDMENT FORMAT to CFR Title 37 Sec. 1.121. and Published on
53 the PTO web site on Feb. 26, 2003.

54 In view of the foregoing remarks and amendments, it is
55 believed that this application is in condition for allowance.

56 Reconsideration and a favorable action are now kindly
57 requested, and in the event that this specification or claims
58 should require any further amendment, the kind assistance of
59 the Examiner in entering an Examiner's amendment will be
60 greatly appreciated. It is suggested that such amendment may
61 be optionally supplemented by a phone conversation and
62 confirmed by form PTOL-327, Box 4b, so as to expedite the
63 formal allowance of this application.
